What's a better start of a working day than breakfast with your colleagues! Informal get-together to update each other on what we are up to. Separate invitations to the breakfast meetings will be sent out on the CRS mailing list.

Please note that all seminars are given in English or Swedish depending on who is participating.

*   Lunch Seminars are shorter, informal discussion sessions rather than papers. Bring your lunch!

** This seminar is given in Swedish.

Progression seminars for the doctoral students in the CRS graduate school will be advertised on a continuous basis!

Please contact Sigrid Josefsson, sigrid.josefsson@kau.se,
with any questions about the seminars or to add colleagues to the CRS mailing list.
