

PROGRAMME

CRS SEMINARS AUTUMN 2018

The Centre for Regional Studies (CRS) invites you to join us for another series of exciting seminars this autumn, featuring invited guests and researchers at Karlstad University. Some seminars and activities are arranged in cooperation with other partners at the university. Hopefully you will find something that suits your interests. We are also happy to receive suggestions on new topics/speakers for future seminars. All welcome!

CRS and GIO workshop: "Impact – Research understanding for a wider society"

Wednesday 31 October, 9:00-11:30.

ER workshop room (GIO, House 1, floor 4)

Are you passing up funding opportunities because the need to consider wider societal impact seems too onerous? A good understanding of non-academic impact is increasingly important in securing research funding and building a successful academic career. This workshop will introduce participants to 'wider impact', and demonstrate how it has been applied successfully in research projects. The session will be of great interest to any researchers who want to attract future funding and get the most out their work! With James Lees, GIO, and Sigrid Josefsson, CRS.

Breakfast with CRS!

Wednesday, 08:20-09:00.

Room: 5C421A.

Dates: 12/9 (Room: 21E113), 17/10, 14/11, 12/12.

What better start to a working day than breakfast with your colleagues! Informal get-together to share news and research updates. Separate invitations to the breakfast meetings will be sent out via the CRS mailing list.

Please note that all seminars are given in English or Swedish depending on who is participating.

Progression seminars for the doctoral students in the CRS graduate school will be advertised on a continuous basis!

Please contact Sigrid Josefsson, sigrid.josefsson@kau.se, with any questions about the seminars or to add colleagues to the CRS mailing list.
