Call for applications for a GEXcel/CGF research grant (40.000 SEK)

The [Centre for Gender Studies/Centrum för genusforskning](#) (CGF) is announcing a research grant for 2021 (application deadline February 25). The aim of the grant is to facilitate for a KAU-based researcher to have research time to develop an article. This grant is intended to stimulate research with a focus on gender and sexuality at Karlstad University and increase different researchers' collaborations with the Centre for Gender Studies and the Gender Studies network [GEXcel International Collegium](#).

The funding shall be used to develop and draft an article which will be later presented in the GEXcel and/or CGF Higher Seminar series. Please note that the funding (including payment of any invoices) must be spent by 31 December 2021.

Application format: The application should be of a maximum of two pages and include the following

- * article abstract and title (max. 500 words)
- * time plan
- * CV (2-3 pages plus publication lists)

Further conditions and available support: Successful applicants are expected to take part in the online events, e.g. the higher seminars series hosted by CGF during 2021.

Time plan

- Application deadline 16 February, 2021
- Information about awarded grant February 23

Please submit your application to GEXcel research coordinator Wibke Straube: wibke.straube@kau.se
