

Master Thesis on Cybersecurity in cooperation with Telia in Karlstad

Are you interested in a Master thesis project in cooperation with Telia on cybersecurity (including topics related to ethical hacking, threat intelligence, 5G / O-RAN / cloud security)?

If interested, please contact Simone Fischer-Hübner (simone.fischer-huebner@kau.se) or Leonardo Martucci (Leonardo.martucci@kau.se) for further details.

(A more detailed announcement should also follow shortly).
