If you have any questions, contact the course administrator.

Assessment of requested examination adjustments within the framework of study support

Section 2, to be filled in by the examiner

Name of the student	Social security number of the student
This application applies to the following examination:	

Karlstad University has approved the request for examination adjustments within the framework of study support (in decisions regarding additional exam time, state the length of the extra time). The following adjustments are approved:

Karlstad University has rejected the request for examination adjustments within the framework of study support. The following adjustments are rejected:

Justification for the decision:

(In case of rejection, the decision must be justified)

--

Examiner's signature	
Print name	Date

Legislation

The Higher Education Ordinance Chap. 6, Sect. 18 states that course grades are decided by the examiner. This means that the examiner also makes decisions regarding the exams and assessments that form the basis for the course grades. The examiner will therefore make decisions on examination adjustments based on the relevant course syllabus' stipulations on examinations, assessment and learning outcomes.

Appeal

A decision can be appealed to the Higher Education Appeals Board (ÖNH). In your appeal, state the decision you are displeased with, all requested adjustments and your reasons for requesting them. Also state the reference number of the case. The appeal should be addressed to the Higher Education Appeals Board, but sent to the Chief Registrar, Karlstad University, 651 88 Karlstad. The appeal must reach Karlstad University within three weeks of when you were notified of the decision. In order to protect your personal data, you should not email your appeal documents.
