

ISP International Summer Program 2025

About Ensenada, Baja California, México

Known as the “Cinderella of the Pacific”, the city of Ensenada is conveniently located 70 miles south of the United States’ international border, 50 minutes from San Diego, California. Ensenada has become a progressive sea port that has promoted its beauty and splendor through tourism and through its cultural and commercial activities.

It is the third largest city in Baja California and a key port in the Mexican Pacific Coast. Ensenada offers an award winning cuisine and a safe family oriented atmosphere. During the summer the weather is great for outdoor activities, with an average temperature ranging from a high of 84°F (29°C) to a low of 64°F (18°C).

CETYS University System cordially invites international students from around the world to its 2025 International Summer Program, a unique experience that blends classes with visits to industry and cultural activities in Ensenada, Mexico, a city renowned for its high quality of life, tourist oriented activities, as well as a relaxed family-town atmosphere.

CETYS University is located in northwest Mexico and has been designated as an “Institution of Excellence” by Mexico’s Government. With campuses in Mexicali, Tijuana and Ensenada, CETYS University currently offers undergraduate and graduate degree programs in the areas of Management and Business, Engineering, and Social Sciences and Humanities.

Furthermore, CETYS is one of only ten institutions in Latin America which hold institutional accreditation in the United States. Additionally, CETYS’ Business and Management programs are internationally accredited by ACBSP (Accreditation Council for Business Schools and Programs, USA) and CETYS’ Engineering programs hold ABET (Accreditation Board for Engineering, USA) international accreditation.
